Hobbies

■ Tennis, Golf, Billiard (pool), video games

Membership

■ Thema research Center

■ The Econometric Society (ES)

Profile

I'm a Phd student in International Macroeconomics, interested in issues related to sovereign debt crisis due to uncertainty shocks, and macroeconomic modeling such as HANK-DSGE (Heterogenous Agents in New-Keynesian Dynamic Stochastic General Equilibrium models). I'm curious, loyal and ambitious with leadership skills.

Education

PhD in International Macroeconomics

ESSEC Business School & Cy-cergy Paris Université, Cergy/France
